**NIGHT PAVING WORK TO BEGIN AUGUST 4 IN CONCORD AND BOW**  
**RAMPS AT EXIT 12 ON I-93 AND I-93/I-89 INTERCHANGE**

The New Hampshire Department of Transportation announces night paving work is scheduled to begin the week of August 4, 2003 on interstate highway ramps in Concord and Bow.

This work will involve grinding out old pavement and laying new pavement, both on the Interstate 93 Exit 12 ramps and the NH Route 3A bridge over I-93 in Concord, and on the Interstate 93/Interstate 89 interchange ramps in Bow.

The grinding and paving work will be done nightly during the weeks of August 4 and August 18 between the hours of 9:00 pm and 6:00 am. Lane and ramp closures will be required and detours will be in place to perform this work.

During the week of August 11, daytime work will include resetting curb and catch basins at the same two locations.

Brox Industries, Inc. of Dracut, Massachusetts is the general contractor for the project.
